Application of these Terms and Conditions

If you are opening a new account, these terms and conditions will apply immediately. Other terms and conditions, including those implied by law, apply.

You should read all relevant terms and conditions that are provided to you and ask ANZ about any issues that concern you.

Opening an ANZ Security Deposit Account

You can open your account at any ANZ branch. To open any account, Federal law requires all account holders and signatories to the account to be identified. One easy way to provide identification is to present your birth certificate, passport or citizenship certificate along with any two of the following forms of identification:

- Driver's Licence

Tax File Numbers

Federal law provides that all accounts earning deposit interest in a tax year may be subject to Tax File Number (TFN) legislation. It is not compulsory for you to provide your TFN. However, if you choose not to do so, ANZ is required to deduct withholding tax from any interest earned unless you are in an exempt category. Withholding tax is calculated at the highest marginal tax rate plus Medicare Levy. ANZ will preserve the confidentiality of your TFN, which can be

recorded for all your accounts, in accordance with the Privacy Act.

Code of Banking Practice

If you are an individual or a small business (as defined in the Code of Banking Practice) ANZ is bound by the Code of Banking Practice when it provides its products and services to you.

Deposits

You can make deposits to your account:

- in person at any ANZ branch or agency;
- by transferring funds electronically using ANZ Internet Banking, ANZ Internet Banking for Business, ANZ Phone Banking or ANZ Mobile Phone Banking; and
- by arranging an electronic credit via another financial institution.

Deposits may also be made using Fast Deposit Bags and ANZ Fast Deposit Envelopes in ANZ branches (where available). Additional conditions apply if you use Fast Deposit Bags. These conditions are available from any ANZ branch.

The following terms and conditions apply to deposits made using ANZ Fast Deposit Envelopes:

- ANZ Fast Deposit Envelopes can be used to make a deposit to a single ANZ account. Each deposit must be accompanied by a completed deposit slip and one or more cheques drawn on an Australian bank in Australian currency only – no notes/coin, foreign currency or foreign cheques are to be placed in the ANZ Fast Deposit Envelope. No third party cheques are to be placed in the ANZ Fast Deposit Envelope without prior arrangement with ANZ;
- A separate ANZ Fast Deposit Envelope and completed deposit slip must be used for deposits made to each separate account;
- You must follow the directions contained on the ANZ Fast Deposit Envelope, otherwise ANZ may, at its discretion, return the ANZ Fast Deposit Envelope to you without processing or completely processing the deposit;
- You must not place anything flammable, explosive, harmful, noxious or dangerous inside an ANZ Fast Deposit Envelope;
- Once you have followed the directions contained on the ANZ Fast Deposit Envelope, place the sealed envelope into the ANZ Fast Deposit Box located inside the branch (where available);
- ANZ will treat deposits made using ANZ Fast Deposit Envelopes as having been received by ANZ on the same day that you make the deposit providing your ANZ Fast Deposit Envelope is deposited to the ANZ Fast Deposit Box before 4pm Monday to Thursday, or 5pm Friday in the branch where you make the deposit. Otherwise ANZ will treat the deposit as having been received by ANZ on the following day that the branch where you made your deposit is open for business. ANZ will credit your account with effect from the day that ANZ treats the deposit as having been received under this clause (proceeds of cheques and other negotiable instruments will be unavailable until cleared);
- If the amount recorded on a deposit slip accompanying your deposit differs from our calculation of the total value of cheques deposited, ANZ reserves the right to adjust your account to reflect ANZ's calculation. ANZ's calculation will be deemed accurate and conclusive evidence of the value of the cheques deposited;
- ANZ is not responsible to you for:
 - i) any discrepancy between ANZ's calculation and your calculation of the contents of the ANZ Fast Deposit Envelope;
 - ii) any loss or theft from an ANZ Fast Deposit Envelope;
 - iii) any loss or damage which occurs if you have breached your obligations under these Conditions of Use or act negligently or fraudulently when using ANZ Fast Deposit Envelopes;
 - iv) any delay in acting upon instructions from you which results from the temporary breakdown of, or interruption to, the ANZ Fast Deposit Envelope service, or any other circumstances beyond ANZ's reasonable control;
 - v) any loss or damage (including consequential loss or damage) suffered in relation to the use of,

or inability to use, the ANZ Fast Deposit Envelope service, unless the loss or damage is attributable to the negligence or willful default of ANZ, a breach of a condition or warranty implied at law in contracts for the supply of goods or services which may not be excluded, restricted or modified or only to a limited extent;

- You are liable for, and indemnify ANZ against, any loss or damage ANZ may suffer because you did not observe your obligations under these conditions or acted negligently or fraudulently when using the ANZ Fast Deposit Envelope service;
- It is your responsibility to retain details of all cheques deposited using the ANZ Fast Deposit Envelope service so that in the event of any loss or damage you are able to approach the drawer for a replacement.

You cannot make deposits to your account via an ATM.

Your account cannot be linked to an ANZ Access Card or ANZ Credit Card.

Withdrawals

Over the counter withdrawals can be made at any ANZ branch. If you wish to make a withdrawal at an ANZ branch where the account is not held, ANZ may require you to provide satisfactory identification and may impose a daily limit on the amount which you withdraw.

You cannot make withdrawals from your account via an ATM. ANZ may allow you to make withdrawals or debits to your account in other ways. If it does, ANZ can impose further terms and conditions for those withdrawals or debit arrangements.

At the end of the tenant's lease, the amount deposited plus accrued credit interest must be withdrawn from the account. Upon withdrawal of funds, the account must be closed.

Crediting of Withdrawals and Deposits

Generally, any withdrawal, deposit or transfer made on your account via ANZ Phone Banking, ANZ Internet Banking, ANZ Internet Banking for Business or ANZ Mobile Phone Banking will be processed to your account on the same day, before the following times:

- 10pm Melbourne time Monday to Friday (excluding national public holidays) for funds transfers made through ANZ Phone Banking, ANZ Internet Banking, ANZ Internet Banking for Business or ANZ Mobile Phone Banking; and
- 6pm Sydney time on Banking Business Days when using BPAY.®

Any transaction made after these cut-off times may be processed on the following business day or Banking Business Day. A Banking Business Day is a day on which banks in Melbourne or Sydney are able to effect settlement through the Reserve Bank of Australia.

ANZ reserves the right to pay transactions presented for payment in any order that we choose.

Interest

Interest is calculated on the daily closing balance of your ANZ Security Deposit Account. Interest is compounded and paid to the account monthly, based on the account opening date or another date nominated by ANZ. The daily interest rate is the annual rate divided by 365. Interest is calculated on the whole balance in your account and there is no minimum account balance requirement.

For example, assume:

- your balance is \$5,000;
- you make no withdrawals or additional deposits from 1 July to 31 July; and
- the interest rate applying to your account is 1.00% p.a.

Based on the above assumptions, you would earn \$4.25 in interest for the period 1 July until 31 July inclusive. See the calculations below:

1. Divide the interest rate by 365 to calculate the daily interest rate. $0.01 (1.00\%) / 365 = 0.000027397 (0.0027397\%)$.
2. The daily interest rate is then multiplied by \$5,000 to calculate the interest that accrues each day $= 0.000027397 (0.0027397\%) \times \$5,000 = \$0.136985$.
3. Multiply the daily interest earned by the number of days for the days in the period to calculate the interest that will be earned $\$0.136985 \times 31 = \4.25 (rounded up to two decimal places).

Interest Rates

Details of current interest rates applicable to your account are available by contacting ANZ Customer Service Centre on 13 13 14, 24 hours, seven days a week or available at any ANZ branch, or by visiting www.anz.com

Fees

There are no transaction fees or account service fees on your account.

Information on all other current standard fees and charges that may apply to your account is contained in the 'ANZ Business Banking Transaction Accounts Fees and Charges' booklet available from any ANZ branch.

If ANZ fails to collect a fee to which it is entitled, ANZ has not waived its right to collect the fee for future transactions of the same nature. ANZ may waive fees under certain conditions.

GST

Terms used in this clause have the same meaning as those defined in the A New Tax System (Goods and Services Tax) Act 1999 ("GST Act") unless provided otherwise.

If any supply made under or in connection with this Agreement is subject to GST, the party making the supply ("ANZ") may increase the consideration otherwise provided for by the amount of that GST and recover such additional amount from the party liable for payment of the consideration. This clause does not apply to the extent that the consideration is expressly agreed to be GST inclusive.

If you are required to reimburse ANZ for any costs, the amount must be reduced to the extent that ANZ is entitled to claim an input tax credit in respect of those costs. A party will be assumed to have an entitlement to claim a full input tax credit unless it demonstrates otherwise prior to the date on which the consideration must be provided.

No payment of any amount in respect of GST is required until ANZ has provided a tax invoice or adjustment note, as the case may be, to you. ANZ must provide a tax invoice or adjustment note to you as required by the GST Act.

Any reference in this Agreement to fee, price, value, sales, revenue, or similar amount ("Revenue") shall be a reference to that Revenue exclusive of GST, unless and to the extent that the revenue is expressly agreed to be GST inclusive.

Statements

ANZ will issue statements for your account at least every six months.

ANZ can arrange for statements to be sent to a nominated third party (e.g. your accountant).

Your Obligations

You must review and reconcile your records in respect of each account held with ANZ within sixty (60) days after you should have received the relevant statement of account (the 'account reconciliation period') and notify ANZ immediately if:

- there has been any alleged omission from, or debits wrongly made to, an account; or
- any unauthorised transaction has been effected in respect of an account.

Except to the extent notified by you pursuant to this clause, all non-ANZ initiated transactions including, but not limited to, cheques, direct debits, periodical payments, telegraphic transfers and electronic transactions ('non-bank transactions') in the statement of account at the end of the account reconciliation period shall be conclusive evidence that they are correct and complete and ANZ shall be free from all claims in respect of such account.

ANZ requires you to take reasonable care and precautions to prevent unauthorised or fraudulent non-bank transactions occurring on your account(s) including, but not limited to:

- a) reconciliation systems and procedures from which you can promptly ascertain whether unauthorised amounts have been debited to your account(s);
- b) regular verification of transactions on your account(s) by suitably qualified and/or experienced people;
- c) unless it is impractical, proper segregation of duties, that is, the person responsible for the matters described in sub-clauses a) and b) is a

person other than that responsible for writing and/or authorising transactions.

If you do not take such steps then subject to any applicable law, you agree that you do not have any right to make a claim against ANZ in respect of unauthorised or fraudulent non-bank transactions.

Authority for Account Operation

At the time of opening your account, you nominate the persons who are authorised to operate the account. ANZ can act at all times on the basis that the authorised operator(s) can act fully and effectively in all dealings, matters and transactions in respect of the account. You are responsible to ANZ for all liability which is incurred as a result of operations on the account. If you hold your account jointly or in partnership with one or more other persons, then each of you is jointly and severally responsible to ANZ for any liability. If you wish to alter the account authorisation instructions, then you must notify ANZ in writing.

Disruption to Service

When planning transactions, please allow sufficient time. You should bear in mind that occasionally a banking service may be disrupted. A 'disruption' is where a service is temporarily unavailable or where a system or equipment fails to function in a normal or satisfactory manner.

To the maximum extent permitted by law, ANZ will only be liable for loss or damage suffered because of a disruption where that disruption is caused by an event within ANZ's reasonable control. ANZ will not be liable for consequential loss or damage because of such disruption. This does not apply to electronic banking transactions. This disclaimer is in addition to, and does not restrict, any other provision contained in these terms and conditions which limits ANZ's liability.

Inactive Accounts

If you do not operate your account for seven years and there is \$500 or more in your account, ANZ is required by law to send your money to the Government as unclaimed money. While you can reclaim your money at any time, ANZ suggests you operate your account regularly to avoid this inconvenience.

Notices and Joint Accounts

ANZ can send you notices, statements or other documents by mailing them to any one of the authorised operators at their nominated address shown in ANZ's records.

If ANZ gives these terms and conditions to any of the joint account holders, they will be considered to have been received by all account holders. If an account holder dies, ANZ may in its discretion treat the balance of the account as owned by any surviving account holder(s).

Trust Accounts

Trust accounts can be opened by ANZ on request.

Account Purpose

Your ANZ business account must be used solely for business purposes. You must not use your ANZ business account for personal purposes or mixed business and personal purposes.

Change of Name and Address by Signatories

You should notify ANZ in writing as soon as possible of any changes to your account details including the name and address of the account holder, authorised operators or business. ANZ will not be responsible for any errors or losses associated with account changes where ANZ has not received prior notice.

ANZ's Right to Combine Accounts

ANZ can combine the balances of two or more of your accounts, even if the accounts are at different branches. It can also do this if the accounts are in the same joint names. This may happen when one of your accounts is overdrawn or is in debit and another is in credit. This means that the credit balance in one account can be used to repay to ANZ the debit balance in another account. ANZ will promptly inform you if it has combined any of your accounts. ANZ need not notify you in advance. You should not treat your accounts as combined unless ANZ has agreed to such an arrangement.

Where you supply ANZ with personal information about someone else

If you give ANZ personal information about someone else, please show them a copy of this clause so that they may understand the manner in which their personal information may be used or disclosed by ANZ in connection with your dealings with ANZ.

Authority to Disclose Confidential Information – Non Individuals

This clause applies to you if you are an incorporated Customer of ANZ.

“Confidential information” means information acquired by ANZ from and concerning you in the course the banker-customer relationship and does not include publicly available information.

By acquiring or continuing to hold the product or service from ANZ, you agree that ANZ and each of its related companies (including subsidiaries) (“ANZ companies”) may exchange with each other any information about you for the purposes of:

- providing, managing or administering your product or service;
- performing administrative and operational tasks (including risk management, debt recovery, exposure aggregation, systems development and testing, credit scoring, staff training and market or customer satisfaction research);

you authorise ANZ to disclose any confidential information collected by it in the course of your relationship with ANZ to:

- participants in the payments system (including financial institutions, merchants and payment organisations); and
- to its alliance partners to promote their products or services.

Any contractor, agent or service provider engaged by ANZ is contractually required to only use the information for ANZ purposes and to keep the information confidential.

Closing Your ANZ Account

You or any other authorised person can close your account at any time upon request at the branch where the account is held. Any unused cheque books or electronic cards which solely operate the account must be returned at this time. ANZ will pay you the credit balance plus deposit interest if any, less any accrued account fees and Government charges applicable at the closing date. Monthly fees will apply even if the account has been open for only part of a calendar month. Any uncleared funds will not be released until they are cleared.

If there are any outstanding cheques the account may only be closed once they have been presented. ANZ reserves the right to return any cheques presented for payment after the account has been closed. If your account is in debit, the balance plus any accrued debit interest, fees and Government charges applicable to the closing date will be payable by you to ANZ.

If your account has either a nil or debit balance, and there have been no transactions (except for Government charges and fees) on the account for more than three months, then ANZ may close your account.

ANZ may exercise its discretion to close an account due to unsatisfactory conduct or for any other reason it considers appropriate. In this event, ANZ will notify you in writing at the address shown on our records and will forward a bank cheque for the net credit balance of the account.

Changes to Fees and Charges, Interest Rates and Terms and Conditions

The table below sets out how and when ANZ will notify you of changes to your account. You agree that ANZ may notify you of certain changes by advertisement in major daily or national newspapers.

ANZ may make the following changes:

	Minimum Number of Days Notice	Method of Notice
Introduce a New Fee or Charge	30 days	In writing
Increase an Existing Fee or Charge	30 days	In writing or by press advertisement

Change the Interest Rate	Day of change	In writing or by press advertisement
Change any other term or condition, the name of interest rates, accounts or publications	Day of change	In writing or by press advertisement

Cheques

Cheques may only be written in the form supplied by ANZ. The forms may only be issued by the account holder named on the front or by an authorised operator.

How Long Does it Take to Clear a Cheque?

Usually five to seven working days, however you will generally be able to draw on the funds after three working days.

When you pay a cheque into an ANZ Account, ANZ may allow you to draw on the cheque before it has cleared but you will be liable for the amount of the cheque if it is subsequently dishonoured.

What Happens to the Original Cheque Once Paid?

For cheques drawn on ANZ and paid prior to 1 October 2005, ANZ will keep a copy of the cheque for seven years but will destroy the original.

For cheques drawn on ANZ and paid on or after 1 October 2005, ANZ will destroy the original cheque but keep a copy of the cheque for:

- 13 months, if the cheque amounts to less than \$200; or
- seven years, if the cheque amounts to \$200 or more.

What if the Cheque is Dishonoured After I Have Drawn on the Funds?

ANZ will debit your account by the amount of the cheque and will charge you debit interest if as a result your account becomes overdrawn.

Special Clearances

You can arrange for a cheque to be cleared in less than the usual time by requesting a 'special clearance'. Fees apply to this service.

'Crossed' Cheques

A cheque with two parallel lines across it is a crossed cheque. When you cross a cheque, you are telling the bank that the cheque must be paid into an account with a financial institution and not cashed.

'Not Negotiable' Cheques

The words 'Not Negotiable' between two parallel lines protects the true owner of a lost or stolen cheque. They ensure that the recipient of a cheque obtains no better rights to the cheque than the person who passed the cheque.

For example, if your cheque has been stolen and passed by the thief to an innocent person, you will be able to recover the amount paid on your cheque from the innocent person (or the thief if they are found) – this is because the thief had no right to the cheque and therefore passed no rights to the innocent person.

You have the option of having 'Not Negotiable' printed on the cheque forms.

'Account Payee Only'

If you write these words on a cheque, you are directing the bank collecting the cheque to only pay the cheque into the account of the person named on the cheque.

'Or Bearer' and 'Or Order'

These words mean that a bank may pay the cheque to whomever is in possession of the cheque, not only the person named on the cheque. If you delete these words, the cheque becomes an 'or order' cheque.

A cheque payable 'to order' means that if the payee wants to transfer the cheque to another person, they must first sign the back of the cheque. You must delete the words 'or bearer' and replace them with 'or order' to make the cheque an 'or order' cheque.

Third Party Cheques

If you present a cheque which is payable to someone else or it appears to belong to someone else (third party cheque) ANZ may, in its discretion, refuse to accept that cheque for deposit or refuse to cash it or may require you to comply with some conditions before it will accept that cheque for deposit or cash it.

Stopping a Cheque

You may stop a cheque that you have written by telling ANZ the following:

- amount of the cheque;
- number and date of cheque; and
- name of payee.

A Stop Payment Fee may apply. If you have lost a cheque you received from someone else, notify that person so they may stop the cheque.

Tips for Cheque Security

- Don't leave gaps between words
- Begin the amount in words as close as possible to the left hand side and add 'only' to the end of the amount
- Begin the amount in figures as close as possible to the dollar sign
- Never write on a cheque with pencil or erasable ink
- Only sign a cheque when it is filled out
- Always write the amount in words as well as figures
- Check your bank statements regularly to reconcile cheques drawn on your account.

When may a Cheque be Dishonoured or Payment Refused?

At the bank's discretion, a cheque may be dishonoured or payment refused where:

- there are insufficient funds in the account of the drawer;
- the cheque is unsigned;
- the cheque is more than 15 months old;
- the cheque is future dated;
- the cheque has been materially altered and the alteration has not been signed;
- there is a legal impediment to payment;
- the cheque has been stopped; or
- the paying bank has been notified of the mental incapacity, bankruptcy or death of the drawer.

Where ANZ refuses payment or dishonours a cheque drawn on your account because there are insufficient funds in your account, ANZ may charge an Informal Overdraft Assessment Fee (referred to in your bank statements and ANZ Business Banking Finance Fees and Charges booklet as an Outward Dishonour Fee).

**What if I
Lose my
Cheque
Book or my
Cheque or it
is Stolen?**

You should keep your cheques safe at all times. If they are lost or stolen, you must take the following action:

- cheque payable to you – tell the person who wrote the cheque;
- cheque written by you – request ANZ to stop the cheque and tell the person to whom the cheque is payable;
- ANZ cheque book – tell ANZ to put a Stop Payment on the serial numbers. If you subsequently find the cheques, ANZ will require written authorisation from you before the cheques can be paid.

If you don't inform ANZ that your cheque book has been lost or stolen as soon as possible, you may be liable for transactions incurred by you before you notify ANZ, even if they are made without your authority.

Bank Cheques

Bank cheques are cheques instructing payment from the bank itself rather than from a customer's account. They are designed to provide an alternative to carrying large amounts of cash when a personal cheque is not acceptable. Bank cheques are usually requested because of the higher likelihood that they will be paid. However bank cheques should not be regarded as equivalent to cash.

Bank cheques can be purchased by ANZ and non-ANZ customers and a fee is charged. A bank may dishonour a bank cheque if:

- the bank cheque is forged or counterfeit;
- the bank cheque has been fraudulently and materially altered;
- a fraud or other crime has been committed;
- the bank is told the bank cheque has been lost or stolen;
- there is a court order restraining the bank from paying a bank cheque;
- the bank has not received payment or value for the issue of the bank cheque; or
- if a bank cheque is presented by person who is not entitled to the cheque proceeds.

If a bank cheque is lost or stolen, ANZ will, on certain conditions, provide a replacement cheque for a fee.

Informal Overdraft facility

For the purposes of this clause the following definitions apply:

'Informal Overdraft' means an amount advanced to you under the Informal Overdraft facility.

'Informal Overdraft facility' means the informal short-term credit facility ANZ may provide to you pursuant to this clause if a debit to your account (excluding a periodical payment) would, if processed, result in either:

- > your account becoming overdrawn; or
- > the approved limit on your account being exceeded.

When any debit (excluding a periodical payment) is initiated which, if processed, would result in either:

- > your account becoming overdrawn; or
- > the approved limit on your account being exceeded,

you are deemed to request an Informal Overdraft.

ANZ will consider your request and assess your eligibility for an Informal Overdraft based on ANZ's credit criteria. You will be charged an Informal Overdraft Assessment Fee for this service in the circumstances described below.

If you satisfy ANZ's credit criteria for an Informal Overdraft facility, ANZ will agree to your request by allowing the debit to be processed as an Informal Overdraft, on the following terms:

- > If the balance of your Informal Overdraft facility exceeds \$50 at the time of your request, or will exceed \$50 once the debit requested is processed, you will be charged an Informal Overdraft Assessment Fee on the day on which the debit is processed (or if that day is not a business day, on the next business day). The Informal Overdraft Assessment Fee (referred to in your bank statements and in the 'ANZ Business Banking Transaction Accounts Fees and Charges' booklet as an 'Honour Fee') is payable immediately.
- > Interest will be charged on the sum of the Informal Overdraft and any fees and charges debited to the account at the ANZ Retail Index Rate plus a margin (refer to 'ANZ Business Banking Transaction Account Fees and Charges' booklet for details). Interest will be calculated on the daily closing balance and will be charged in arrears on the same date in each month as the date on which your account was opened (or if that day is not a business day, on the next business day). The daily interest rate is the specified rate divided by 365.
- > The Informal Overdraft, any Informal Overdraft Assessment Fee and any interest on both of those amounts will be debited to your account; and
- > you must repay each of those amounts by the earlier to occur of either:
 - 7 days of the Informal Overdraft being debited to your account; or

- ANZ demanding repayment. Demand for payment may be made in your next statement of account or by letter to you.

If you do not satisfy ANZ's credit criteria for an Informal Overdraft, ANZ will decline your request and will not allow the debit to be processed. You will be charged an Informal Overdraft Assessment Fee (referred to in your bank statements and in the 'ANZ Business Banking Transaction Accounts Fees and Charges' booklet as an 'Outward Dishonour Fee') and this fee is payable immediately.

- > Other than amounts debited to your account in accordance with this clause, ANZ does not agree to provide any credit in respect of your account without prior written agreement.

You should inform ANZ as soon as possible if you are in financial difficulty.

- (b) ANZ may delay acting on or may ask you for further information before acting on an instruction. Where ANZ has instructions for more than one payment from your Account, ANZ will determine the order of priority in which payments are made.
- (c) If you make a cash withdrawal from an Account by making an electronic transaction and there is a difference between the amount of cash received and the amount shown on the receipt, you must report this to ANZ and to the merchant (if applicable) as soon as possible. You can make your report to ANZ by calling ANZ on the number listed at the back of this booklet.
- (d) If you make a deposit of funds to an Account by making an electronic transaction and there is a difference between the amount recorded as having been deposited and the amount ANZ receives, the Account Holder will be notified of the difference as soon as possible and will be advised of the actual amount which has been credited to the Account.
- (e) ANZ is not liable for the refusal of any merchant to accept an electronic transaction and, to the extent permitted by law, is not responsible for the goods and services supplied by a merchant. After this time, the instruction cannot be revoked.

8. Processing Instructions – ANZ Phone Banking, ANZ Internet Banking, ANZ Internet Banking for Business and ANZ Mobile Phone Banking

- (a) Any ANZ Phone Banking, ANZ Internet Banking, ANZ Internet Banking for Business or ANZ Mobile Phone Banking transaction (other than a BPAY®) will generally be processed to your Account on the same day ANZ receives your instructions, if given before 10pm Melbourne time Monday to Friday (except national public holidays). Any transaction made after this time may be processed on the following ANZ Business Day.
- (b) Account information accessed using ANZ Phone Banking, ANZ Internet Banking, ANZ Internet Banking for Business or ANZ Mobile Phone Banking will generally reflect the position of the Account at that time, except for transactions not yet processed by ANZ (including uncleared cheques and unprocessed credit card transactions) or cleared cheques and Direct Debits processed by ANZ that day.

9. Processing Instructions – Pay Anyone, International Services and Direct Debits

- (a) ANZ will generally process Pay Anyone instructions:

- ANZ will send the draft by post to the delivery address notified by you;
 - You acknowledge that it is your responsibility to forward the draft to the intended recipient.
- (d) ANZ cannot control (and is not responsible for) when, or if, the payee's or payer's financial institution processes your instructions or the fees that financial institutions may charge to process your instructions.
- (e) Once ANZ processes your transfer or Direct Debit instruction, ANZ is reliant on the payee's financial institution to advise whether your instructions have been successfully processed. If a payee's financial institution advises that your transfer instruction has not been successful, it may take a number of weeks, depending on the financial institution, to reverse the relevant withdrawal from your linked Account. Your terms and conditions for

Direct Debits outline your rights and responsibilities regarding Direct Debits.

- (f) If the transfer is to be made from a credit card, it will be treated as a cash advance and interest and fees may apply.

10. Processing Instructions – BPAY®

- (a) ANZ is a member of the BPAY® Scheme. This is an electronic payments scheme through which ANZ can be asked to make payments on your behalf to billers. ANZ will tell you if it ceases to be a member of the BPAY® Scheme. For the purposes of the BPAY® Scheme, ANZ may also be a biller.
- (b) You must comply with the terms and conditions for the Account which you ask ANZ to debit a BPAY® (to the extent that those terms are not inconsistent with or expressly overridden by these Electronic Banking Conditions of Use).
- (c) To make a BPAY® the following information must be given to ANZ:
- Your CRN and password and Security Device Code (if appropriate) or Telecode;
 - The biller code from the bill;
 - Your customer reference number (e.g. your account number) with that biller;
 - The amount you want to pay; and
 - The Account from which you want the payment to be made.
- (d) Once this information is provided, ANZ will treat your instructions as valid and will debit the relevant Account. ANZ will not be obliged to effect a BPAY® instruction if it is not made in accordance with these Electronic Banking Conditions of Use or if the information given is incomplete and/or inaccurate.
- (e) Limits apply to your use of BPAY® on both a per transaction and daily limit (per CRN) basis. Separate daily limits apply for BPAY® Tax Payments, independent of the general BPAY® limits. For more information on available limits see www.anz.com
- (f) Subject to the 'Processing Instructions' conditions set out above:
- Any BPAY® made by you will be processed on the day you tell ANZ to make that BPAY®, if ANZ receives

your instructions before 6pm Sydney time on a Banking Business Day (ANZ's cut-off time);

- BPAY® instructions received after 6pm Sydney time on a Banking Business Day, or on a day that is not a Banking Business Day, will be processed on the next Banking Business Day.
- (g) A delay may occur in processing a BPAY® where:
- There is a public or bank holiday on the day after you tell ANZ to make a BPAY®;
 - You tell ANZ to make a BPAY® after ANZ's cut-off time; or
 - Another participant in the BPAY® Scheme, such as another financial institution or a biller does not process a payment as soon as it receives details of the payment or does not otherwise comply with its obligations under the BPAY® Scheme.
- (h) While it is expected that any such delay will not continue for more than one Banking Business Day, it may continue for a longer period.
- (i) ANZ will attempt to ensure a BPAY® is processed promptly by billers and other participants in the BPAY® Scheme.
- (j) You should check your Account records carefully and tell ANZ as soon as possible if you become aware of:
- A BPAY® which has been made from your linked Account which was not authorised;
 - The possibility that you have been fraudulently induced to make a BPAY®, or
 - Any delay or mistake in processing of your BPAY®.
- (k) If ANZ is advised by a biller that it cannot process your BPAY®, ANZ will:
- Advise you of this;
 - Credit your Account with the amount of that BPAY®, and
 - Tell you how ANZ can assist you, if possible, in making the payment as soon as possible.
- (l) A linked ANZ Credit Card Account can only be used to make a BPAY® if the biller accepts credit card payment. If the biller does not accept credit card payment but you want to pay from a credit card account, payment will be by way of a cash advance.

- (m) You are not authorised to give a biller code to any person in order to receive payments owing to you. Biller codes may only be used by authorised billers to receive payment of bills issued by that biller. The terms and conditions of use of BPAY® will not apply to any use by you of biller codes in this way.

- For Business Customers only, by failing to comply with 'Your Obligations' as detailed earlier in these Terms and Conditions or Conditions of Use;
 - Through your fraud;
 - Subject to the terms of any account services provided or referred to you by ANZ, by voluntarily disclosing a password, PIN, Telecode or Security Device Code to anyone, or by giving your card or

Security Device to anyone, including a family member or friend;

- By keeping a record of the password, PIN, Telecode or a Security Device Code (without making any reasonable attempt to disguise it):
 - On the card or Security Device or with the CRN;
 - On any article carried with the card or Security Device or the CRN; or
 - Which may be lost or stolen at the same time as the card or Security Device or CRN;
- By using your birth date or an alphabetic code which is a recognisable part of your name as a password, PIN or Telecode;
- By failing to secure your mobile phone or leaving your mobile phone logged into ANZ Mobile Phone Banking; or
- By otherwise acting with extreme carelessness in failing to protect the security of your password, PIN, Telecode, Security Device or a Security Device Code;

the Account Holder is liable for the actual losses which occur before ANZ is notified of the loss or disclosure of your password, PIN, Telecode or Security Device.

- (b) Where you must use more than one of your passwords, PINs, Telecodes or Security Device Codes to perform an ANZ Internet Banking or ANZ Internet Banking for Business transaction, and you voluntarily disclose, or keep a record of, one or more of them (but not all of them) the Account Holder will only be liable under this clause if the disclosure or record was the dominant contributing cause of the losses.
- (c) If, after you become aware of the loss, theft or breach of the security of your password, PIN, Telecode, Security Device Code, or card or Security Device, you unreasonably delay notifying ANZ, the Account Holder will be liable for losses incurred between:
- The time you first became aware of any of the events described above, or in the case of loss or theft of a card or Security Device, should reasonably have become aware of the loss or theft; and

- The time ANZ is actually notified of the relevant event.

(d) However, you are not liable for any loss:

- Which, over a set period of time, is greater than the transaction limit for that period;
- Caused by overdrawing your Account or exceeding any agreed credit limit;
- Where ANZ has agreed the Account could not be accessed electronically; or
- As a result of conduct that ANZ expressly authorised you to engage in, or losses incurred as a result of you disclosing, recording or storing a password, PIN, Telecode or Security Device Code in a way that is required or recommended by ANZ for the purposes of you using an account access service expressly or impliedly promoted, endorsed or authorised by ANZ.

(e) If it is not clear whether you have contributed to the loss caused by an unauthorised transaction and where a password, PIN, Telecode or Security Device Code was required to perform the unauthorised transaction, the Account Holder is liable for the least of:

- \$150 (unless the Account is used for business purposes); or
- The actual loss at the time ANZ is notified of the loss, theft or unauthorised use of the card or Security Device or that the security of the password, PIN, Telecode or Security Device Code has been breached (but not any loss incurred on any one day* if the amount is greater than the daily* transaction limit or other periodic transaction limit (if any)); or
- The balance of the Account, including any prearranged credit from which value was transferred in the unauthorised transaction.

19. Equipment Malfunction

(a) ANZ is responsible to the Account Holder for any loss caused by the failure of equipment to complete a transaction that was accepted in accordance with your instructions.

(b) However, if you were aware or should have been aware that the equipment, including your mobile phone with respect to ANZ Mobile Phone Banking was unavailable for use or malfunctioning, ANZ's responsibility will be limited to correcting errors in the Account and refunding any charges or fees imposed as a result.

(c) You are responsible for the accuracy and completeness of the content that you enter into or upload to ANZ Internet Banking and ANZ Internet Banking for Business. ANZ is not responsible for any inaccuracy or incompleteness in the entering or uploading of information by you. ANZ's records of the information and data that was uploaded will be determinative and final.

(d) You are solely responsible for your own personal computer anti-virus and personal computer and mobile phone security measures, and those of any Authorised User, to help prevent unauthorised access via ANZ Internet Banking, ANZ Internet Banking for Business or ANZ Mobile Phone Banking to your transactions and linked Accounts.

20. Access to Other Services

You may use ANZ Internet Banking or ANZ Internet Banking for Business to access other ANZ services, such as the ANZ Direct Debit service. If there is any inconsistency between the terms and conditions set out in these Electronic Banking Conditions of Use and your agreement for that other service, the terms of the agreement for that other service prevail when using ANZ Internet Banking or ANZ Internet Banking for Business to access or use that other service.

21. Liability Under the BPAY® Scheme

21.1. General

You should note that:

- If you advise ANZ that a BPAY® made from a linked Account is unauthorised, you should first give ANZ your written consent to obtain from the biller information about your linked Account with that biller or the BPAY® payment (including your CRN), as ANZ reasonably requires to investigate the BPAY®. This should be addressed to the biller who received the BPAY®. If you do not do this, the biller may not be permitted by law to disclose to ANZ the information ANZ needs to investigate or rectify that BPAY® payment;

* A day begins at 12.00.01am (Melbourne time) and ends at 12.00.00am (Melbourne time) on the same day. If you are not in the same time zone as Melbourne, please check <http://www.australia.gov.au>.

- If you discover that the amount you instructed ANZ to pay was less than the amount you needed to pay, you can make another BPAY® for the shortfall. If you cannot make another BPAY® for the shortfall because the shortfall amount is less than the minimum amount the biller will accept, you can ask ANZ to arrange for a reversal of the initial payment. You can then make a second payment for the correct amount. If you discover that the amount you instructed ANZ to pay was more than the amount you needed to pay, you can ask ANZ to request a reversal of the initial payment from the biller on your behalf, and if this occurs, you can make a second payment for the correct amount.

21.2. ANZ's Liability

- (a) Where you use your Account for personal purposes, ANZ's liability under the BPAY® Scheme is as set out under 'Unauthorised Transactions'.
- (b) Where you use your Account for business purposes, ANZ will not be liable to you under the BPAY® Scheme except in the circumstances set out in this clause.

21.3. BPAY® Payments

Except where a BPAY® payment is an Unauthorised Payment, a Fraudulent Payment or a Mistaken Payment, BPAY® payments are irrevocable. No refunds will be provided through the BPAY® Scheme where you have a dispute with the biller about any goods or services you may have agreed to acquire from the biller. Any dispute must be resolved with the biller.

21.4. Unauthorised Payments

If a BPAY® is made in accordance with a payment direction, which appeared to ANZ to be from you or on your behalf, but which you did not in fact authorise, ANZ will credit your Account with the amount of that unauthorised payment. However, you must pay ANZ the amount of that payment if:

- ANZ cannot recover the amount from the person who received it within 20 Banking Business Days of ANZ attempting to do so; and
- The payment was made as a result of a payment direction which did not comply with ANZ's prescribed security procedures.

21.5. Fraudulent Payments

If a BPAY® is induced by the fraud of a person involved in the BPAY® Scheme, then that person should refund you the amount of the fraud-induced payment. However, if that person does not refund you that amount, you must bear the loss unless some other person involved in the BPAY® Scheme knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund you the amount of the fraud-induced payment.

21.6. Mistaken Payments

- (a) If you discover that a BPAY® has been made to a person, or for an amount, which is not in accordance with your instructions (if any), and your Account was debited for the amount of that payment, ANZ will credit that amount to your Account. However, if you were responsible for a mistake resulting in that payment and ANZ cannot recover the amount of that payment from the person who received it within 20 Banking Business Days of ANZ attempting to do so, you must pay that amount to ANZ.
- (b) You acknowledge that the receipt by a biller of a mistaken or erroneous payment does not or will not, under any circumstances, constitute part or whole satisfaction of any underlying debt owed between you and that biller.

21.7. Consequential Loss

ANZ is not liable for any consequential loss or damage you suffer as a result of using the BPAY® Scheme, other than due to any loss or damage you suffer due to ANZ's negligence or in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services and which may not be excluded, restricted or modified at all or only to a limited extent.

22. Indemnity

To the extent permitted by law, you indemnify ANZ against any loss or damage ANZ may suffer due to any claim, demand or action of any kind brought against ANZ arising directly or indirectly because you:

- Did not observe your obligations under; or
- Acted negligently or fraudulently in connection with, these Electronic Banking Conditions of Use.

23. Precedence of Terms

If there is any inconsistency between the terms and conditions set out in the Electronic Banking Conditions of Use and your Account terms and conditions, the Account terms and conditions prevail.

For the avoidance of doubt, these Electronic Banking Conditions of Use apply when you access your personal accounts via ANZ Internet Banking for Business. However, your personal accounts will still be governed by the Electronic Banking Conditions of Use set out in the Terms and Conditions documents which apply to those personal accounts when you access your personal accounts via ANZ Internet Banking, ANZ Phone Banking or ANZ Mobile Phone Banking.

24. Changes to the Electronic Banking Conditions of Use

ANZ can change the Electronic Banking Conditions of Use at any time. ANZ will give you 20 days prior written notice of any changes which:

- Impose or increase charges relating solely to the use of electronic equipment;
- Increase your liability for losses relating to electronic transactions; or
- Change your daily transaction limit or other periodical transaction limit applying to the use of electronic equipment.
